

HELMET POLICY

Skaters in all SkateABLE™ programs are required to wear a CSA-approved hockey helmet at all times while on the ice.

Face protection is mandatory for skaters ages 12 and under.

Any skater found not to be wearing a suitable helmet during on-ice activities during a program listed above will be required to immediately leave the ice.

ENFORCEMENT: SkateABLE™ Coaches and volunteers are obligated to enforce this policy during all skating classes.

Bicycle helmets, skateboard helmets, and ski helmets (even those that are CSA-approved for use in other sports) are not permitted.
